

# Pet *Direct* identitags

Pet identitags are the best way to ensure the safe return of your pet. We manufacture over 140 combinations of tags using the worlds leading brands in brass, nickel plate and plastic.

Identitag tags can be engraved on both sides with your pet's details. They are then inlaid with black fill to produce visible lettering and then highly polished giving the unique identitag finish.

**Posted back to you with in 2-3 working days**

**IdentiTAG**
